

**“If you help the poor, you are  
lending to the LORD  
and HE will repay you!”  
(Proverbs 19/17)**

Dear Friend.....

Prayerful greetings from Major  
Archdiocese of Trivandrum.

A number of evangelization projects are  
being planned and executed in the Major  
Archdiocese in accordance with the spirit of  
the first Syro-Malankara Catholic Assembly  
and the Major Archiepiscopal Assembly.

A recent enquiry found out a disturbing fact  
that there are **2015 families** in the Major  
Archdiocese who do not have proper housing. It is  
very painful to realise the fact that the vast  
majority of them are denied reservations of any  
kind. To help these poor people to build decent  
houses is part of our spiritual life and social  
justice. I realise this task of building houses to the  
homeless in our Major Archdiocese is the divine  
will which has to be fulfilled through my ministry.  
'Snehapoorvam oru veedu' - Catholicos Silver  
Jubilee Housing Project is our humble attempt to  
materialise this dream.

Dear friend, I hope you will join me to  
actualise this dream which would provide better  
confidence and abundant blessings to a large  
number of families. I assure you of my prayers  
along with the prayers of many others for you and  
your family.

Thanking you in advance,  
God bless you  
with love,

**+Baselios Cleemis Catholicos**  
Major Archbishop of Trivandrum
